## Happiness For Little Feet...

This autumn, get ready for a blockbuster of a boot that will bring a smile to even the most hardened soul. Kickers and the LEGO Group have worked together to give the iconic Kick Hi boot the full LEGO® makeover, with LEGO brick designs boldly appearing on straps and eyelets in brilliantly bright colours.

These two brands, that millions of kids have grown up with, have finally come together in an explosion of fun. Not only will they be a hit on the playground, they'll also be sending kids to LEGOLAND® Windsor for free\*!
